Dear Hiring Manager ,

I am writing to express my interest in the open position of a fresher in your IT company. As a recent graduate in Electrical and Electronics Engineering, I am excited about the prospect of joining a company like yours that values innovation and cutting-edge technology.

During my training, I have gained a strong knowledge in programming languages such as Java, Core Java, SQL , HTML 5, CSS, JavaScript.

What I find most appealing about your company is your dedication to cultivating a collaborative and inclusive work culture that values professional growth and personal development. I am eager to learn from experienced professionals and contribute my skills and knowledge to projects that make a difference.

In addition to my technical skills, I possess excellent communication skills and enjoy working in teams. I have experience working in group projects and know the importance of clear communication and collaborative problem-solving.

I am excited about the opportunity to contribute to your team and am confident that my skills, knowledge, and passion for technology will make me a valuable addition to your company. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team.

Sincerely,

Avinash g badiger
